

High School Large Group Band Festival Thursday, March 27, 2025

Hello Symphonic Band students, parents, and guardians,

The Large Group Band Festival on Thursday, March 27, 2025 will be at Spokane Falls Community College. This is a required/graded performance. The schedule of the day's activities is shown below. Students are required to be dressed in concert uniform before leaving the school. Students should plan on bringing a change of clothes (nice school clothes) and money for lunch at fast food or a sack lunch. Parents are welcome and encouraged to come and watch the performance. We are **in need of two chaperones** – please email or call me if you're interested. Feel free to contact me with any questions you may have.

Looking forward,

Levi Mazurek
