## LMS Band Grading Policy

A successful Middle School Band requires diligence and commitment on the part of every member. Being disruptive in class is detrimental to the success of the band and will be reflected in the student's participation grade. Students will be graded on both accountability as well as individual tasks/skills.

- Weekly Progress 50%
- Concerts/Festivals 25%
- Tests/Quizzes/Assignments 25%

### Weekly Progress Points

Students may earn full credit each day by being in their seat, prepared, with all materials on time. Points will be deducted for tardiness and lack of participation. Each student will be allowed two absences (including illness, field trips, sports, or **anything** else that takes them out of class) before points are deducted. On the third absence, students will lose one day's worth of points. These points/days can be made up.

### Make-up Points for Classroom Absences

In order to make up for a school related or non-school related absences, the student can attend a musical event (concert, musical, etc.) and give Mr. Mazurek a program or proof of attendance (1 absence = 1 musical event). The student may also make-up an absence by practicing for 30 minutes in the LHS band/choir room before school (7:00 - 7:30am) or after school (2:00 - 3:05). 1 absence = 30 minute practice session.

### Concerts/Festivals

Failure to participate in a concert will result in the overall class grade dropping a **minimum of one full letter grade**. Students will also lose points if they are late or not dressed in proper attire. In extreme cases (death in the family, illness, etc.) the points for an excused concert absence may be made-up by completing a detailed music related project. In order to receive credit, it must be accompanied by a note from the student's parent/guardian.

### Make-up Points for Concerts/Festivals

To make up the points from the missed concert: Students must pre-arrange with Mr. Mazurek a total of 1.5 hours of practice time at the LHS Band/Choir Room (room 17) and perform their concert music live for Mr. Mazurek. Pre-arranged times can only be from 7:00 - 7:30am and from 2:00 - 3:05pm - Talk to Mr. Mazurek to schedule a day/time.

### Tests/Quizzes/Homework – points vary depending on test/quiz/homework

Students may have a playing/written test at least once a month to monitor for progress.

## Equipment and Class Material Requirements

**EVERYONE** is required to have a pencil, music, and instrument with them at all rehearsals unless stated otherwise.

### Required Book

- **“Accent on Achievement - Book 1”**
  - Make sure that you buy the correct book for the instrument that you play (ie. trumpet, flute, clarinet, trombone, alto saxophone, percussion).

### Instrument

- **Single Reed Instruments (Saxophones and Clarinets)**
  - You are expected to have a minimum of 3 working reeds in your case at any given time.
    - The cheapest way to buy enough reeds for the entire year is to purchase a box of ten.
    - All students should purchase a nice reed guard storage device. The above manufacturers make many nice models.
    - Storing your reeds in a nice reed guard will keep them fresh longer and overtime will lower your reed purchasing expenses. It is not recommended to store a reed on the mouthpiece of your instrument or in the plastic sleeve the reed came in - BUT it is better than no protective case at all.
    - Instrument cleaning kit

### Percussion

- All percussion students **MUST** get a pair of Vic Firth American Classic 5A Drum Sticks and either a snare drum pad or a snare drum. All percussion students are highly **ENCOURAGED** to purchase the Vic Firth EP2 Education Pack. Check online or have the local music stores order them.

### Brass

- Valved Instruments (Trumpet, Baritone): You are expected to have valve oil and tuning slide oil.
- Trombone: You are expected to have tuning slide oil/grease, slide cream (brand name Slide-O-Mix is best, and a small spray bottle for water.
- Instrument cleaning kit
